

# Additional Information

## LEADERS

The camps are run by experienced leaders, some of whom are full time Christian workers, others are volunteers. There is a high ratio between leaders and children/teenagers.

## SAFETY

Safety is taken seriously throughout the duration of the camp. All outdoor pursuit activities, (if applicable) are carried out under qualified supervision. The Faith Mission has a Child Protection Policy and all leaders and helpers are subject to this.

## SPECIAL NEEDS

Whilst recognising that all children are special, some may have needs which may require extra support. It is our aim to include such children/teenagers at our camps, within the guidelines of suitable provision and staffing. To do this we ask all parents to give us full details of their child's special needs at the time of booking, so that such needs can be met to the best of our ability.

## THE FAITH MISSION RESERVES THE RIGHT TO:

1. Refuse any application
2. Alter or cancel a camp where necessary
3. Ask a camper to leave the camp if their behaviour is incompatible with the general enjoyment and well being of others. In this case the parent or guardian will be informed and collection arrangements must be made at their own expense.

## PHOTOGRAPHS

You may be photographed at camp! These may be used on the Faith Mission Websites, or the next camp leaflet. They will not be made available to any third party. If you do not wish to be photographed, please tell the photographer who will respect your wishes.

## DATA PROTECTION

The Faith Mission will hold your details on file, but will not release the information to any third party.
