

A vibrant, stylized illustration of a summer camp scene. At the top, two red banners with white, hand-painted text read 'SUMMER' and 'CAMP'. Below them, a black banner with white text says '2019'. The background is a bright blue sky with white clouds and a large, glowing yellow sun. In the foreground, there are green pine trees, a brown path, and a campfire with orange and yellow flames. The overall style is flat and colorful.

WHAT IS FAITH MISSION CAMP?

Camp is an **action-packed** holiday filled with **new experiences** and time-tested activities as well as an exploration into the heart of the **Christian message**.

We are passionate about young people having fun! Holidays are about chilling out, making friends and discovering and trying new things.

For those who love sport there is organised football, basketball, cricket, volleyball and rambling, along with some seriously fun wide games including our famous games in the dark! Those more creatively minded will love our woodwork craft, singing and music opportunities.

Our junior campers will have to don their detective caps to "hunt the leader" and our teens will have to steady their nerves and test their mettle at Pleasurewood Hills theme park.

At each camp there are fun day trips out, a chance to practice skills on our table tennis, air hockey and pool tables and have experiences that will be remembered for a lifetime. At the centre of camp is the opportunity to discover what the Bible has to say, and its relevance for today. This is explored through age-appropriate interactive teaching, personal stories, missionary accounts, discussions and questions.

HEALTH AND SAFETY

The safety of your child is of utmost importance to us and taken seriously throughout the duration of the camp. All campers are accommodated in dorms of up to eight; and leaders have separate rooms adjacent to the children for their safety and security. The Faith Mission has a safeguarding policy and all adult leaders and helpers are subject to this, as well as being DBS checked. The Faith Mission also reserves the right to refuse any application or- also ask a camper to leave the camp if there has been an undisclosed health problem or their behaviour is incompatible with the general enjoyment and well-being of others. In this case the parent or guardian will be informed and collection arrangements must be made at their own expense.
